The DIMMER VIEW

Less Air Censorship Needed

Journalists, gathered for national assembly of Sigma Delta Chi in San Diego last week, condemned Vice President Spiro T. Agnew for his criticism of radio and tv.

As a past presiding officer of the San Diego chapter of Sigma Delta Chi, this writer objected to the national organization's posture.

Sigma Delta Chi, the national professional journalistic society, voted to denounce Mr. Agnew's attack on television network newsmen as being a threat to freedom and an attempt to impede coverage of and comment on the news.

It was offered to the convention as a threat of the public's right to know.

We think SDX erred in demanding that the criticized be denied the right to criticize the critics.

The denunciation calls for government officials to cease resisting charges lodged by all news media.

It calls for government to recognize that newsmen now walk on water although no such walks have been documented.

We think government has a right to mouth off at least in the same ratio as the press. A big-mouth politician usually has a short political life. He isn't so likely to make loose talk his habit.

Press has the last word. It often demands great control not to answer some of the odd replies of government officials. But let 'em talk is a good philosophy. It is their right under the Bill of Rights.

"Congress shall make no law respecting . . . freedom of speech or of the press."

That gives leeway to both the citizen and the news media. It gives the right to aswer criticism.

The electronic medium, as tv and radio is popularly called, is licensed by the government. Because of licensing, electronics is skittish. What government gives, government can take away, is the theory.

And this is close to fact.

This explains why there are so few editorials on the air critical of federal government.

It would tend to explain why government generally gets a good "press" on the air while print beats the brains out of the same subject.

That's because print operates under no license. Print feels no pressure from government.

Electronics is licensed becaused its product uses everyman's air for dissemination and the government must protect the rights of the citizen.

Print uses its own material, purchased in open market, and protects the people against government.

This editorialist's belief is that news is news. The unhappy arrangement by which it is distributed through the people's atmosphere could easily be adjusted.

A fee, commensurate with a newspaper's newsprint — distribution cost, might replace broadcast licensing. The cost could be based on the station's power. The fee arrangement would be only for news dissemination air time. It would be similar to the fee arrangement stations now have for sponsors of news broadcasts. This sum could be channeled back to the public in exchange for the use of its air by upgrading such programs as "Beverly Hillbillies" and "HeeHaw." It would also give each station the privilege of not buying air time. Those who purchase it should have a non-revokable right to perform as a true news medium — including the right to criticize.

What SDX members apparent had in mind when they censured Mr. Agnew must have been the unfairness of it all.

Certainly, Mr. Agnew, or anyone else, should be permitted to criticize those who generate and distribute information of a general news nature. But because of his position, Mr. Agnew, and others at that level of government, will always be accused of censorship when he answers newsmens charges.

This situation could be changed when a strong enough Federal Communications Commission is able to put through legislation by which the electronics media could acquire segments of your airspace for news use without the threat of censorship.

Supervisors Duck Nude Show Issue

SAN DIEGO (CNA) — County supervisors refused to get excited about go-go nudity at their Monday meeting.

They filed a request from District Attorney Don Keller without action. Keller wanted an ordinance enacted under a new state law controling exposure of the breasts, buttocks and genitals of waitresses.

Supervisor Jack Walsh said Keller's request was political and designed for press exposure.

Supervisor Henry A. Boney voted against the motion to file without action. Boney said the board should ask the sheriff's department to report if there is any problem with nudity in bars in the unincorporated territory.

He said he doubts there is a problem deserving action.

Supervisor Harry Scheidle said the state law purporting to allow cities and the county to cover up the girls has been ruled unconstitutional by Los Angeles Superior Court Judge Jerry Pacht.

He said there was no reason for this county to do anything until the courts have made their final decision many months from now.

The law is an attempt to give local authority over the nudity of any person who acts as a waiter, waitress or entertainer in any place that serves food or drinks.

Boney made an unintended pun when he said, "I still think we should ask the sheriff how many places this would cover."

La Presa Rezone On Tap

SAN DIEGO (CNA) — A major rezone for La Presa was tentatively approved on Friday by the County Planning Commission.

It consists of creating 6,000 square foot lots (R-1-A), a duplex zone (R-2), apartment zoning (R-3), and a neighborhood commercial section on 158 acres on both sides of Paradise Valley road north of the South Bay Freeway.

It is the first use of the county's new regulation that the zoning will not become effective unless the developer files a final subdivision map within two years.

The county hopes by this method to halt rezones that are not for development, but for the purpose of promoting the sale of land.

The commission also approved a tentative subdivision map for the property showing a total of 482 lots.

The zone is E-1, the one acre estate zone, but this has been recognized as a holding zone not really suitable for development.

There were no protests to the Board of Supervisors for the final decision.

Area UC To 78%

The 1969 Crusade in San Diego County moved into the home stretch this week as campaign leaders reported 78 per cent of the goal had been reached.

Lemon Grove had reached 65 per cent of its announced goal, while the La Mesa-Spring Valley area has attained 69 per cent.

General chairman William E. Quirk stated: "The money is there. We are seeing some outstanding increases in all campaign divisions. It simply requires a tremendous final effort by all volunteers to complete their campaigns and get their results in."

Quirk announced a meeting of all campaign leaders to report their final results at 4 p.m. next Wednesday in the auditorium of the San Diego Gas and Electric Company.

School Classes Near Static But Expansion Eyed

Pupil population of Lemon Grove schools hasn't increased substantially since 1960 but a school expansion program is being considered.

Byron Netzley, district superintendent, told trustees Monday night that state mandated reduced class size and special programs have dictated the need for smaller classes. But if new classrooms are constructed with local funds, state regulations may not apply. There is no construction funds available from the state anyhow, he added.

The pupil population was 4050 in 1960 and is 4131 now, an increase of only 81 pupils in nine years. The number of homes has increased substantially, he noted. It may be that local families are spreading out, he surmised. Concern that St. John of the Cross Catholic school plans a reduction of a class a year until it has but seven classes at the Broadway-Imperial school facility was voiced.

The school board saw no chance for a construction program until classes were again near double session.

SDTA Cancels Walkout

Board Encourages Court Appearance

The Board of Directors of the San Diego Teachers Association (SDTA) voted without dissent Monday afternoon to obey a court order issued earlier and called off a planned protest rally and march scheduled for Tuesday morning.

At the same time, the SDTA Board voted to encourage teachers to absent themselves from classes Friday in order to appear in court.

The temporary restraining order, issued Monday morning by Superior Court Judge William Mahedy, directs each of the defendants, including leaders and 4000 Jane and John Doe members of the SDTA, to appear "in the court room of Judge (Hugo) Fisher at the San Diego County Courthouse . . . at 9:00 A.M., Nov. 21, 1969, then and there to show cause, if any they have, why they and each of them, and their agents, servants, employees, and representatives should not be enjoined and restrained" from encouraging or participating in a walkout for the remainder of the school year.

SDTA executive director Lou Boitano, speaking for the Board of Directors, expressed amazement that the school board and administration had "apparently traded a one-day teacher walkout, **without** pay, for a one-day teacher walkout **with** pay."

Unlike Tuesday's cancelled walkout, teachers would lose no pay by taking the day off to appear in court. Section 13468.5(c) of the California Education Code permits teachers to use days of paid sick-leave to appear in court as litigants.

"You may be sure," said Boitano, "that SDTA members **will** be in court Friday, exercising their Constitutional right to defend themselves. We will assume that the school board will have the foresight to announce well in advance that the schools will be closed that day, to guarantee the safety and well-being of the pupils."

Boitano noted that the school board had claimed for several weeks that it would be able to keep the schools open and operating despite the threatened SDTA walkout.

"In going to court today, they have admitted that teachers had the will and the power to close the schools, and that in fact we would have closed them Tuesday," the SDTA executive director claimed.

"More than that, I suspect that the school board and administration have sunk a deep wedge between themselves and their teaching staff.

"As late as this morning the SDTA was seeking to sit down with the district's representatives to arrive at a rational settlement of the dispute. Instead of talking with teachers, the board and administration chose to take their teachers to court.

NEW LOOK—The latest addition to the community beautification program in Lemon Grove is this new identification sign for United States National Bank at 7946 Broadway. Here, assistant manager Sam Cripps and secretary Dana Trout are shown from the inside of the bank office looking out toward the 54-foot high sign. The sign was installed by San Diego QRS Signs.

L.G. Chamber Meets Tuesday at 7:30 A.M.

The regular monthly meeting of the L.G. Chamber of Commerce will be Tuesday at 7:30 a.m. at the Brunswick Bowlero.

Christmas decorations will be discussed. This project is under the chairmanship of Len Farness.

Introduction of several new chamber members will be made by president Frank Shughrue.

Chamber information may be obtained from secretary Joyce Foss at 469-9621.

Grossmont Trustees Move Deliberately In Drug Expulsions

Grossmont High School District Board of Trustees are stepping more carefully in the area of expulsion since one of their cases was challenged by Superior Court.

The Board, which met Monday night, went into a closed door session to consider the cases of students connected with dangerous drugs or narcotics.

The session lasted until 2:30 a.m. Tuesday morning, and the Board had to postpone considering nine cases until a special meeting Monday.

The progress was hampered by new, extensive procedures in considering each case, since Leon Kochian, a 16-year-old Grossmont High student was ordered returned to classes by Superior Court recently.

The decision in Kochian's case was returned after a judge questioned procedures in conducting the hearing and gathering evidence.

In all, the Board expelled nine students in the early hours meeting, and postponed action on two additional cases until more information was available.

The remaining cases and the two left over will be considered at a special meeting at 7:30 p.m. Monday in the district board room.

Dr. Austin Sellery, district superintendent, said that the district may have to schedule a separate meeting each month in addition to the regularly scheduled sessions.

Among the five teenagers expelled were five girls and one boy from Mt. Miguel High School, and a boy and a girl from Helix High. Only one of the students was expelled for off-campus use.

Downtown Peace March Orderly

Between 7,000 and 8,000 orderly demonstrators marched under threatening skies through the streets of downtown San Diego Saturday afternoon in the second in a series of Moratoriums.

The demonstrators, featuring many of college age, but also entire families, clergymen, older couples and onpass servicemen, counted many from this area.

They marched from Newtown Park, on India and G streets, to Broadway and finally to Balboa Park where a rally on wet grass attracted another thousand persons with speakers and music.

The demonstrators were greeted at various points on the march by small clumps of counter-demonstrators. There were no incidents.

The march and rally, held under threatening skies, were organized by the Citizens' Mobilization Committee with cooperation and flawless assistance from the city of San Diego and the Police Dept.

The Balboa Park gathering, not bothered by tacks scattered by the thousands over the grass, heard a number of speakers, including Assemblyman John Burton (D-San Francisco) discuss points of view.

Simultaneously, much larger gatherings attracted peace demonstrators to two other cities.

In Washington, D.C., a huge crowd, estimated "modestly" by Washington police at more than 250,000, (some said closer to 500,000) marched and gathered at the Washington Monument to hear Sens. McGovern, McCarthy and Goodell plea for peace.

A splinter group of 5,000 broke away from the main rally and stormed federal buildings in a riot that Washington police broke up with a restraint of force. The violent element was condemned on both sides of the fence, while Herbert Klein, Nixon's communications chief, praised the large majority of the demonstrators for their actions.

San Francisco saw another mammoth rally march from the waterfront to Golden Gate Park, where upwards of 175,000 gathered on the polo field to hear speakers such as Rev. Ralph Abernathy and the famous San Francisco rock bands.

More demonstrations are pending next month.

LG Fire Report

The Lemon Grove Fire Department had a "light" week for Nov. 10-17 as far as rescues and fires were concerned. There were no fire calls and only two rescue calls.

The two rescue calls were on Nov. 15: the first one at 5:44 p.m., to 8071 Lincoln ave., where Helen Smith, 61, was administered oxygen for illness, and later taken to Grossmont Hospital.

The second call was at 10:14 p.m., to 3245 Vista st., to Kyle Williams, 63, who was given oxygen for extreme illness and who later went to College Park Hospital.

Latest Storm Is .19 Inch

The fall rains are barely keeping ahead of last year's total, according to Dale Chamberlain, meteorologist at the local fire station.

Chamberlain said last week's rainfall totaled .19 inches to bring the season's total to 1.15 inches.

On the same date the year before the total reached 1.06 inches.

Rainfall season is from the first of July each year.

Sups Investigate Parking Problem

SAN DIEGO (CNA) — County supervisors have asked the traffic advisory committee to investigate to see if part time parking on Massachusetts avenue in Lemon Grove could be restored.

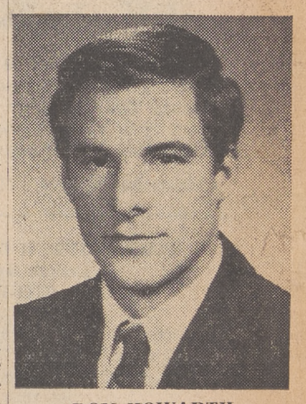
The board banned parking on this heavily-traveled road in the interest of safety and is in the receipt of a bitter letter from Franz Joseph Schnaubelt, 4137 Massachusetts avenue.

He objected strongly to the parking ban in front of his house.

Supervisor Henry A. Boney said the committee should see if the ban could be enforced only at peak traffic hours.

He said he doubted, however, if this solution, even if practical, would be pleasing to Schnaubelt.

The board also asked the committee to report on whether trash or delivery trucks can pause or stop at the curb where parking is prohibited.



DON HOWARTH

SV Grad Advances at Harvard

Don Howarth, of Spring Valley has been appointed to the Board of Student Advisors at the Harvard Law School where he is a second-year student. He is a magna cum laude graduate of Harvard College.

The Board of Student Adviosrs was established in 1910 to administer the Law School's annual series of moot court arguments. The members write the cases, aid the student attorneys, and secure judges — most of whom are students, assisted by faculty members and local attorneys.

An Economics major who was on the Dean's List for four years at Harvard College, Howarth excelled in Public Speaking organizations. One of his speeches appears in **The Revelant Rhetoric**, published by the MacMillan Company this year.

At the Harvard Law School he received one of five awards for the best brief in the moot court competition. Howarth served as a Research Assistant at the Law School last summer.

He is the son of Mr. and Mrs. Norman B. Howarth of 605 Parkbrook in Spring Valley. Howarth was Valedictorian of his graduating class at Mt. Miguel High School in Spring Valley.

Church Has Speaker

Ronald McGuire, president of Santa Sophia Academy Parent-Teacher's Group, has announced that William Dejka will speak to the parents and faculty about the history and involvement of the Confraternity of Christian Doctrine at their regular meeting to be held tonight in the parish hall, Spring Valley.

The hall will be decorated in the "Thanksgiving Day" theme by Mr. and Mrs. Richard Spurgeon, Hospitality Committee, with murals of the season to be done by the Academy's art students.

Fifth grade mothers will be hostesses for the social hour, headed by Mmes. S. Carsoh, Frank Mascari, Larry Zolezzi, Sinne Boermans and John O'Hea.

National Bible Week Proclaimed

In proclaiming November 23 to 30 at National Bible Week, Presient Nixon recalled Benjamin Franklin's thought when he remarked that "if no sparrow can fall to the ground without his (God's) notice, no nation can rise from the ground without His help."

Interwoven in San Diego Area history is the inspired activity of the churches, and over the last two hundred years the leaders of the San Diego community have found strength and guidance to nurture and build, often with divine help.

To assist in strengthening the spiritual lives of people and help the churches and community usher in National Bible Week, an attractive packet of 16 illustrated selections in color from the Book of Psalms, all under one title, "Good News for San Diego", has been prepared by the American Bible Society at no cost to the churches.

Commemorating the 200 years of religious service to the city of San Diego as well as the County, over 250,000 of the Anniversary packets have been distributed to usher in National Bible Week as well as Worldwide Bible Reading which covers the period from Thanksviging to Christmas.

Actually Worldwide Bible Reading has been an annual program since World War II when a lonely Marine on Guadalcanal suggested to his parents back home that they read the same chapter of the Bible each day from a list he prepared.

His parents passed along the suggestion to the American Bible Society which each year since 1944 has sponsored the worldwide reading in which millions of people participate. Printed lists are available to help each individual follow a regular schedule of daily Bible readings.

This year for the first time the American Bible Society and the Laymen's National Bible Committee are joined by a Roman Catholic Agency, the Catholic Bible Association of America, in sponsoring the national observances.

Feast Is Planned

The children at the Nazareth House, Mission Valley, will have their Thanksgiving turkey a little early this year. Al Jensen, president of the Optimist Club of Allied Gardens announced that the children will be the guests of the club at a special dinner to be held Saturday, Nov. 22 at the Brunswick Bowlero in Lemon Grove.

A full menu is planned with all the trimmings: turkey, cranberry sauce, sage dressing, whipped potatoes and of course pumpkin pie.

Quebec is almost 75 percent covered by forests.

Always and Everywhere

Let no one imagine that it is a strained and unnatural thing for one to pray. The contrary is much closer to the fact. It is far more unnatural for one not to pray. Prayer is one of the most natural of human instincts. Prayer is man's response to the divine will.

Church Plans Breakfast

The United Methodist Church, at Washington and Golden, will hold a Thanksgiving breakfast from 8:00 until 10:00. Paul Mize will take charge of the cooking and the youth of the church, with Miss Suanne Dewey as chairman, will serve.

Proceeds will go to the Mission Projects. Come and enjoy the entertainment they have planned.

The Couples' Club plan a trip to Barrett Lake, Saurday, November 22, for a fish or chicken dinner. The bus will leave the church at 6:15. Reservation may be made by phoning 463-3371.

Loyalty Sunday is November 23 — a time for searching our hearts for dedication and for pledging our support for 1970.

"Great Day" for the men—work day at the church to complete necessary projects starting at 8:00, November 23. The ladies will serve lunch.

The W.S.C.S. leadies will sell UNICEF Christmas cards at the College Grove Post Office, through December 5.

ALL Sunday School classes will revert to 9:00 instead of the present 10:30 hour, this Sunday, November 23.

Christian Church Plans Observance

On Thanksgiving morning the Community is invited to a brief Worship Service to be held by The Christian Church 6970 San Miguel ave., Lemon Grove.

The service will begin promptly at ten and will be forty five minutes in length. The Chancel Choir will sing and the minister Dr. John T. Chase will speak briefly.

This is the first year that this church has had its own building in which to meet and so this Thanksgiving Season will have special significance for the congregation. A Christian welcome awaits the community to all services but especially this one on Thanksgiving morning.

Your dinner will be more delicious, for enjoyable if you go to a House of the Lord and with other grateful Americans give thanks to God. Bring the whole family.

IRS TAX ANSWERS

F. S. Schmidt, DISTRICT DIRECTOR, INTERNAL REVENUE SERVICE

This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q I'm now retired and have Social Security and my company pension to live on. Will any of this be taxable?

A Social Security benefits are not taxable. Your company pension may or may not be taxable depending on whether you contributed to its cost.

If the pension plan is of a type where the pensioner's cost is recoverable within the first three years, the pension is tax-free until this cost is fully recovered. After that, the full pension is taxable income.

One provision you should check is the retirement income credit. When certain conditions are met, this provision allows a taxpayer to reduce his income tax by up to 15 percent of his retirement income.

Details on these provisions are given in IRS Publication 524, Retirement Income and Retirement Income Credit. Send a post card to your District Director for a free copy.

Q I receive my room and meals at college free of charge for working in the dining hall. Is there any tax on this?

A The fair market value of room and board received as compensation for work is usually taxable income. If this plus any other income you have amounts to $600 or more for the year, you will have to file a tax return.

Remember that if your earnings from all sources were less than $600 and any Federal income tax was withheld, a return must be filed to obtain a refund.

Q This is the first year my income will be high enough so that I'll have to file a tax return. Is there anything I can do to avoid having to pay any tax at the end of the year?

A. If taxes are withheld from your wages, any increase in the amount withheld will reduce the chances of having additional tax to pay when you file your 1969 return. Your withholding can be increased by not claiming all your withholding exemptions or by having additional amounts withheld through an agreement with your employer.

Note that if you do not claim all the exemptions you are entitled to for withholding purposes you have not forfeited the right to claim them at a later date. You can, and should, claim all exemptions you are entitled to on your income tax return.

Q Is there a tax advantage in having shares of stock registered in both the husband's and the wife's name?

A Yes. The owner of stock is generally entitled to exclude from his income up to $100 in dividends, but a married person may not use his spouse's exclusion if the stock is individually owned. If stock is jointly owned, each could receive up to $100 in dividends tax free.

Q I've just opened my own business. What can you tell me about my Federal tax responsibilities?

A Information on taxes and withholding requirements can be ibtained by contacting your local IRS office. Publications are available that cover these subjects.

Q. What are the home health agencies that Medicare has set up in East San Diego County?

A. Medicare hasn't set up any. It only helps pay for these services, under certain conditions, if they are available and used. Your social security office can tell you how to reach the home health agencies that have qualified under Medicare.

TOPS Meets Tuesdays

The regulars weekly meeting of the Tops Lemon Peelers, a chapter of Tops Inc. is held every Tuesday evening at 7:30 p.m. at St. Philip's Church, at the corner of Palm and Hardy in Lemon Grove.

Each month we have a dietician who comes to speak to us, and answer any questions we may have in regard to proper food preparations and balanced diets.

A very successful Halloween party was held recently in which a "Funny Hat" theme was enjoyed by all the members. Plans are now being made for our Christmas party which will be held some time in December, at Joe Edingers Steak house.

Our vice-president has come up with some very interesting contests to spur the members on the way to good weight losses, and the ultimate victory of reaching their goal.

Anyone interesting in visiting the club or joining are welcome to stop by and visit with us, on any meeting night.

SV Kiwanis Gives Pins

The Spring Valley Kiwanis Club at its Nov. 12 breakfast meeting, made three presentations: a past Lt. Governor's pin to G. Frank Berger, who served as Lt. Governor of Division 31 during 1968 (he also is a past president of the Spring Valley club); and two 8-year "perfect attendance" pins, one to Elmer Lash, the first president of the club, serving in 1961-'62, and one to Tom Webster, a past president, serving in 1964.

Roy Williams, this year's president, made the presentations. Williams said, also, that the Spring Valley Kiwanis Club has presented a check to the Monte Vista High School Band, in the amount of $150. He said also, that the club is still seeking a permanent treasurer, to succeed Hoyt Brown, who resigned to move East.

AFS To Meet

The Helix High School chapter of the American Field Service will hold its annual punch party tonight in the Helix High School Green Room.

The event will begin at 7:30. Coffee, punch and cake will be served.

Two former AFS students will talk about their experiences in Belgium and Japan. These students are now working to help students interested in going abroad.

Anyone who is interested in having a foreign exchange student live with them or in going abroad themselves is invited to attend.

Helix Sets Drive

"Can Caravan" is the theme for the Helix High School Girls' League annual Canned Fool Drive Nov. 17-26.

The canned goods will be given to the Crisis Center on Imperial ave., San Diego.

"The purpose of Canned Food Drive is to share with needy families what most Helix students take for granted — a happy Thanksgiving," Molly MacDonald, chairman, said.

Last year a record 16,000 cans and $287 were collected by Helix students and faculty.

Pack Gets More Cubs

Fourteen boys will be formally inducted into Lemon Grove Cub Scout Pack 318 at its November meeting Monday night at 7:30 at the First Congregational Church, 2770 Glebe rd.

The meeting will be primarily concerned with awards and advancement ceremonies and includes nine boys being accepted into the Webelos Dens and two Cubs graduating to Boy Scouts.

SOCIAL SECURITY

Why Fill Out Forms After Marriage?

Q. I wrote a note to the Social Security Office informing them of my new married name. Why did I have to fill out the form, "Request for Change in Social Security Records"?

A. Completion of this form is necessary to properly identify you as the person shown on your original application for a card. This will insure that all of your earnings are correctly recorded. Your replacement card will show your new name and your old number.

Q. I recently read in the paper that the new deductible amount that a Medicare beneficiary must pay for hospitalization is $50. Is this correct?

A. No. For the first 60 days your hospital insurance pays all but the first $44 of covered services in a participating hospital during each benefit period.

People who enter the hospital under Medicare Jan. 1, 1970, or later, will have to pay an additional $8 of their hospital bills for such services, or a total of $52.

Van Deerlin Proposes Aid For Parents

WASHINGTON — Legislation that could result in hundreds of dollars in tax savings for the parents of college students was introduced in the House last week by Rep. Lionel Van Deerlin, D-San Diego.

The bill is similar to a measure offered in the Senate last month by Sen. Abraham A. Ribicoff, D-Conn. Both proposals are designed primarily to assist middle and lower-middle income families by awarding tax credits up to $325 for each student when gross adjusted income does not exceed $15,000 a year.

The credit would be computed on the basis of 100 percent of the first $200 of qualifying expenditures for tuition, fees and books, 25 percent of the next $300, and five percent of the subsequent $1,000. No credit would be permitted for living and other expenses not purely educational or for allowable student costs in excess of $1,500.

"The credit could be charged off against the tax of any individual who paid the educational expenses of himself or another person at a qualified institution," Van Deerlin said.

Institutions for which the credits could be claimed include colleges and junior colleges, universities, graduate schools and vocational and business schools.

Juniors Set Meet

The Lemon Grove Woman's Club Juniors will hold their November business meeting Monday the 24th, at 8 p.m. The meeting will be held in the home of Mrs. James Flower, 8902 Alpine, La Mesa.

The dress will be casual and any girl between the ages of 18 and 35 who is interested in the Juniors may attend.

Let's Talk Turkey.

Each year at Thanksgiving we get hundreds of requests asking the best way to cook a turkey. Our Home Economics Department suggests that you roast your Thanksgiving turkey as follows:

Thaw turkey. Preheat oven to 325°. Remove neck and giblets, rinse turkey, drain, and stuff lightly just before roasting. Brush entire skin with oil, shortening, butter or margarine. Place turkey breast up on rack in shallow roasting pan. Insert roast meat thermometer in thickest part of thigh muscle. Place a tent of aluminum foil loosely over bird when turkey has started to turn golden. Roast according to the following timetable, basting if desired.

ROAST TURKEY

Approximate Timetable
(stuffed whole turkey—at 40°)

Ready-to-Cook weight pounds	Approx. Time at 325° hours	Internal Temp. when done Degrees F.
4 to 8	2½ to 3½	180-185
8 to 12	3½ to 4½	180-185
12 to 16	4½ to 5½	180-185
16 to 20	5½ to 6½	180-185
20 to 24	6½ to 7	180-185

Individual preferences differ for turkey texture and moistness. For those who prefer turkey *really* well done, cook approximately 30 minutes longer.

ART - MUSIC - THEATRE

College Gallery Has Photos, Drawings

The third Art Exhibit of the fall semester is currently on display in the Gallery at Southwestern College, it was announced by Gallery director, John Pittman.

He said the show is featuring the work of Five Photographers, well-known in this area, and an exhibit entitled Drawings-Stories by Helen Drake, a senior citizen who is an art student at Southwestern.

The photographers are Harry Crosby, Allan Miller, Jane Cowles and John Oldenkamp. Between the five, they have garnered nearly every major photography award presented to art photographers.

Miss Drake, who was born in Maryland, received her schooling in the south and enjoyed a career as an accomplished pianist, having given many recitals as a young woman. She entered the business world as a secretary, and worked until her retirement in 1965.

In addition to her music, Miss Drake pursued an interest in art and painting as a hobby. Since enrolling as a student at Southwestern in 1965, she has become serious about Art, and this is her first show.

Her style is unique in that it embodies many variations and art forms. Among her work on exhibit, are paintings, collages, sketches, and drawings as a story form.

Gallery hours are 10 a.m. until 2 p.m., Monday through Friday, 6-10 p.m. Tuesday and Thursday nights, and 1-5 p.m. on Sundays. The current show will continue until Sunday, December 7.

Area Composers' Works Featured

Works by area composers Kenneth Gaburo and Klaus von Wrochem and by Earle Brown, Henry Brant and Anton Webern will be performed, in concert, at 8:30 p.m. on Tuesday, Nov. 25, in the Matthews Campus Recital Hall, Building 409, at the University of California, San Diego.

The program, under the direction of Bertram Turetzky, will be performed by members of a graduate performance problems seminar in the USCD Department of Music.

The concert will feature conductors Thomas Nee and Larry Livingston, each leading a performance of Earle Brown's "Available Forms I" (1961), a chance piece with variable parts capable of innumerable combinations in performance, dependent upon a conductor's choice of elements and direction of sequence.

The concert is free and open to the public.

OLD GLOBE PLAY—Pat McCune admonishes her husband, Hal Chidnoff, pleading innocent to her charges of amorous attentions toward Polly Puterbaugh in "The Skin of Our Teeth," Thornton Wilder's inventive comedy of mankind performed on stage at the Old Globe Theatre, Balboa Park, for a limited run nightly except Monday, November 25 through December 21.

'Skin of Our Teeth' Is Old Globe Feature

A topsy-turvy comedy of mankind will open Tuesday, November 25 on stage at the Old Globe Theatre. "The Skin of Our Teeth" depicts the triumphs and disappointments of an American family. This witty and inventive prize winning play is scheduled for a limited four week run.

Shuttling back and forth through history, "The Skin of Our Teeth" celebrates the determination of the human race through an amusing view of mankind. Through fire and flood, war and pestilence, generations of man continue to struggle and survive by the 'skin of their teeth.'

Playwright-author Thornton Wilder has created a tribute to the human spirit in "The Skin of Our Teeth." He was honored with a third Pulitzer Prize in 1943 after the play first appeared on Broadway.

Wilder also received the same coveted recognition for his play "Our Town" and for his novel "The Bridge of San Luis Rey." He was the recipient of the National Book Award for fiction in 1968 for his novel "The Eighth Day."

Students through college and enlisted military personnel receive a 40% discount on regular priced tickets for all performances except Saturday nights of "The Skin of Our Teeth." The student and military reserved seat ticket price is $1.50.

Producing Director Craig Noel will stage "The Skin of Our Teeth" for the Old Globe Theatre. Settings depicting a middle class home in the 1940's and the boardwalk at Atlantic City will be created by art director Peggy Kellner.

Performances of "The Skin of Our Teeth" are scheduled Tuesday through Sunday evenings, Nov. 25 through December 21. Matinees will be performed on Sundays at 2 p.m. on December 14 and December 21.

Symphony Features Hungarians

A teacher-pupil relationship will be resumed after many years this Thursday and Friday when the San Diego Symphony performs its third pair of winter concerts.

Celebrated Hungarian pianist, Erno Daniel, will be guest artist with the orchestra under the baton of Music Director Zoltan Rozsnyai, a former pupil of Daniel at the Royal Franz Liszt Academy in Budapest.

It will be an all-Hungarian night featuring the works of Liszt, Kodaly and Bartok.

Daniel, called a "pianist of remarkably sensitivity" by the Los Angeles Times, will play Piano Concerto No. 2 and Todentanz, both by Liszt. The orchestra will perform Bartok's Divertimento for Strings and Kodaly's Dances and Galanta.

Daniel, who is professor of music at the University of California, Santa Barbara, is the second of four pianists who will play with the San Diego Symphony during the current winter season.

Curtain time is 8:30 p.m. for all Symphony performances. Tickets may be purchased at the Civic Theatre Box Office or at Metro Ticket agencies and Highlander Stores.

Guitars On Tap

On Saturday at 8 p.m. the Open Door will present a folk guitar concert by "The Far Reach," Vanetta Paquin and Betsy Christ.

Vanetta is a fine arts major at Grossmont College and a member of the college choir. Betsy is a student at El Cap and is in the Civic Youth Orchestra.

Gallery Closed

The Fine Arts Gallery of San Diego will be closed Thanksgiving day, Nov. 27.

Normal gallery hours will be resumed on the 28th.

Unicorn Shows Polanski Film

La Jolla's Unicorn Theatre, is presenting the San Diego area premiere of Roman Polanski's "Cul De Sac" through November 24.

Roman Polanski is the Polish film maker who received world fame with the release of his "Knife In The Water" in 1962. Polanski continued his film making career in England making "Repulsion" in 1965, "Cul De Sac" in 1966, "The Fearless Vampire Killers" in 1967 and "Rosemary's Baby" in 1968.

"Cul De Sac" tells of a fleeing gangster who takes refuge in a castle on the English coast, and of the erotic ambience which develops between the gangster and the worried couple who inhabit the castle. It stars Donald Pleasance, Frances Dorleac and Lionel Stander. Polanski considers this film to be his finest work.

On the same program the Unicorn is presenting "The Story Of A Three Day Pass'. This film, directed by former San Francisco streetcar conductor Melvin Van Peebles, is the first feature film directed by an American negro. It concerns the brief, tragic love affair of a negro soldier on leave, and a French girl.

Children's Plays Slated Weekends

Two plays for children — "The Astonishing Adventures of Pang" and "The Bell" — are being presented by USIU's new Theatre for Children at the Center for the Performing Arts, 350 Cedar st., in the Center's Theatre West each Saturday (except Nov. 29) through Dec. 13.

The two entertainments are directed by Ron Arden and performed by the students at USIU's School of Performing Arts. The double bill is presented at 11 a.m. and again at 2 p.m.

Tickets, priced at 75c for children, $1.25 for adults, will be available at the door, but seat reservations may be made by calling 239-0391, Ext. 42.

Dance Theater At Grossmont

Grossmont College will present The San Diego Dance Theater in a concert at 8:30 p.m., Friday and Saturday, November 21 and 22, in the Student Center.

Three major dances by co-directors Lolita Carter, Grossmont College dance instructor; Johanna Weikel, Patrick Henry High School dance teacher; and George Willis, San Diego State College assistant professor of dance will be performed to open San Diego Dance Theater's third season at Grossmont College.

The public is invited to see this concert performed by San Diego County's only modern dance group. The price of admission will be $1.50 for the public with students from other schools admitted for $1. Grossmont College students and staff will be admitted free of charge upon identification.

Gallery Sets Sale

An exhibition of Original Graphics by Classic and Contemporary Artists will be on display at The Fine Arts Gallery of San Diego, Balboa Park, November 29 and 30 from 10 a.m. to 5 p.m.

Presented by the Ferdinand Roten Galleries of Baltimore, the material will be available for purchase. Prices will range from $5 to $1,000 with the majority under $100.

Included are original etchings, lithographs and woodcuts by such artists as Picasso, Chagall, Miro, Goya, Renoir, Rouault and Kollwitz.

The established firm of Ferdinand and Roten Galleries specializes in arranging exhibitions and sales of **original graphic art** at colleges, universities and museums throughout the country. SCRAPBOOK—Soren Mikkelsen, foreign exchange student from Denmark, goes over his fast-growing scrapbook of American memories with his "brother" Gary Heiserman. Both attend Mt. Miguel High School. Heiserman is a finalist in the AFS program, and may be selected to become an exchange student next year.

Danish Student Likes Taste of American Life

Soren Mikkelsen, Mt. Miguels' foreign exchange student this year, has got to be one of Denmarks' finest! His distinct British accent and correct English (he speaks five languages) informs one immediately that he is not one of us, though he greatly resembles the American teenage boy in other ways. He likes to dance, he likes to eat, and he likes girls!

According to Soren schools in Denmark consist of seven years of elementary school, three years of what we call Junior High School and three years of High School. Only the top eight per cent of the young people go on to High School, preparatory to entering the University.

The remainder of the youth go to vocational schools. Soren will return after this year to Denmark to complete his High School before going to the University of Copenhagen.

Soren finds American High Schools relaxed. He is enjoying school sports very much, as a spectator, and as a participant, he hopes, in basketball. He will be representing Mt. Miguel, along with several others, at a Speech Tournament at Palamor College soon.

"I like America, especially California. I like the weather!" He looks at the calendar and remembers how cold it is in Denmark in November. His present ambition is to swim in the ocean on Christmas Day.

"What impresses me most? Your many cars, color T.V., the tall buildings, the Redwoods, the freeways — but mostly your mountains." (Denmarks' highest peak is 200 yards above sea level.)

Soren comes from a farm home, six miles outside of Kolding. He bicycles to school if he misses the bus Classes are held in a building six hundred years old. He attends school six hours a day, six days a week. It is not too surprising that he finds a two day break from school enjoyable.

Soren is a participant in the American Field Service Program. (AFS) the AFS is a non-profit, non-sectarian organization which has brought more than 3,000 foreign students to the United States this year.

The purpose is to better acquaint them with the country. While attending school here, the exchange students live in private homes as a part of the family. The families receive no payment in monies, but the reward is great!

Soren is living with the Ray Heiserman family here in Lemon Grove, where he shares a room with his American brother, Gary.

New Hospital Opens Near Here

San Diego's newest convalescent and rehabilitation hospital has opened in Mission Valley, near San Diego State College.

The 309-bed facility is situated on seven landscaped acres in the heart of the Alvarado Medical Center.

Complete with the most modern of rehabilitation equipment, Alvarado features a total physical therapy section which is staffed by a full-time, licensed physical therapist. In addition, a hydro-therapy service complements the total therapeutic complex.

The hospital covers 85,000 square feet and includes four separate recreation lounges with a full-time recreation director supervising a complete recreation program. The activities program includes extensive occupation therapy activities.

According to Mrs. Winifred McGuane, who serves as hospital administrator, the hospital has two prime goals: "We wish to assist our patients and residents to achieve the highest level of restoration as quickly as possible and to help them maintain a high standard of living".

Mrs. McGuane has served as a consulting dietician and administrative dietician to a number of convalescent hospitals in the San Diego area. She is also a member of the American Dietetic Association.

Play Still Running

Chula Vista Playhouse's production of "Wake Up, Darling," Alex Gottlieb's frolicking comedy, enjoyed a good turnout last weekend in spite of the rainy weather.

"Wake Up, Darling" will run two more weekends, Nov. 21, 22, 28, and 29, at 8:30 p.m. in the Recreation Hall, 373 Parkway, Chula Vista.

The heart is no larger than a man's fist, yet pumps more than four quarts of blood to the body every minute.

Area Men In Uniform

WICHITA, Kan. — Staff Sergeant Richard L. Camp, son of Mr. and Mrs. A. O. Camp of 3949 El Canto, Spring Valley, has re-enlisted in the U. S. Air Force at McConnell AFB, Kan.

Sergeant Camp is a weather equipment technician at McConnell with a unit of the Air Weather Service which provides weather information for U. S. flight operations.

RICHARD CAMP

The sergeant is a 1961 graduate of Mt. Miguel High School.

RUDOLPH DRIVER

Marine Sergeant Rudolph R. Driver, husband of the former Miss Brenda L. Ball of 7620 Nibiscus st., Lemon Grove, is serving with the First Marine Air Wing in Vietnam.

The First Marine Aircraft Wing is the air arm of the Third Marine Amphibious Force in Vietnam.

It operates several hundred aircraft which include fighter, attack, reconnaissance, helicopter and transport aircraft. In addition to providing aviation support for the First and Third Marine Divisions, the wing supports other American and free world forces in South Vietnam's five northernmost provinces.

BRUCE BARTON

Fireman Bruce J. Barton, USN, 2445 Cypress ave., Lemon Grove, is serving aboard the nuclear-powered guided missile frigate USS Truxton in the Western Pacific.

The Truxton, the newest ship of its class, is participating in its second deployment in Vietnam coastal water since being commissioned two and a half years ago.

The Truxton performs a dual role while acting as a unit of the U. S. Seventh Fleet. It acts as a search and rescue ship and air traffic coordinator for carrier based aircraft.

JASPER STACY

Chief Hospital Corpsman Jasper W. Stacy, USN, husband of Mrs. Reba Stacy of 2102 Lang ave., Spring Valley, received the Navy Unit Commendation during ceremonies aboard the hospital ship USS Sanctuary off the coast of Vietnam.

The commendation was presented to the officers and men of the hospital ship by the Commander of the U. S. Seventh Fleet in recognition of Sanctuary's exceptionally meritorious service from April of 1967 to April of this year.

The Secretary of the Navy cited the white-hulled ship for her service while providing highly responsive hospital ship services to American and allied forces ashore.

The Sanctuary recorded in two years 7,000 helicopter landings, over 7,000 major operations, 12,300 patients admitted and treated a total of 23,500 servicemen.

FRANK PECORARO

Army Private First Class Frank A. Pecoraro, 20, son of Mr. and Mrs. Anthony Pecoraro, 2302 69th st., Lemon Grove, was assigned Oct. 15 to the 1st Infantry Division in Vietnam.

Bancroft Has Safety Program

Last week students at the Bancroft Elementary School were provided instruction in safety education by officers of the California State Highway Patrol. The program was sponsored by the school's PTA and was arranged by Mrs. Helen Baker, safety chairman of the association.

Various demonstrations were conducted for the students in pointing out proper bicycle procedures, crossing crosswalks, traffic signals, and the rights of pedestrians in general daily activities.

The program related to children of all ages.

Dinner Slated

Following the suggestion of Mrs. Richard Nixon, the City of La Mesa will be one of the communities putting on a Thanksgiving Day dinner at 8450 La Mesa blvd., La Mesa, for their elder citizens who might ordinarily be alone and lonely on that holiday.

A traditional dinner of turkey, dressing, potatoes, salad, cranberry sauce, pumpkin pie and coffee will be followed by The Lanuza Brothers Troupe of Ballet Forklorico Mexicana with an afternoon's entertainment of gaily costumed dances and music of the various States of Mexico.

This talented troupe of twelve, ranging in ages from 9 to 17 years, will be directed by Freddy Lanuza.

All senior citizens in the La Mesa area are invited to make reservations by calling the La Mesa Recreation Department — 469-0626. Dinner will be served at 1 p.m. The price $2 by reservations only.

Jamul District Observes Vet Day

Students in the Jamul school district were treated to Veterans Day program last November 10.

The program, a half hour in length, involved members of the community and the school.

The program included patriotic music by a choir, a band and the student body, a colors ceremony, and an address by a World War I veteran, who spoke about what liberty should mean.

Campground To Close

SACRAMENTO — The State Department of Parks and Recreation announced that the campground at South Carlsbad State Beach in San Diego County will be closed for three months beginning December 1.

During that period the campground at San Elijo State Beach six miles south will remain open to accommodate campers.

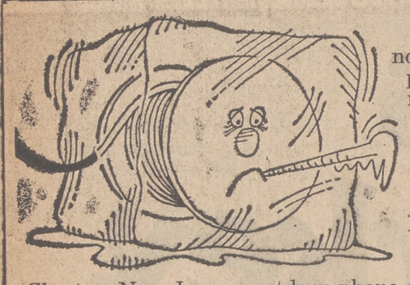
What's doing?



Believe it or not, even telephone equipment has its own rugged "proving ground." At one of Bell Telephone Laboratories field testing sites near Chester, New Jersey, outdoor phone equipment is buried, frozen, submerged in "artificial oceans," and left exposed to harsh weather for years. Everything from cable to manhole covers is given a hard time. The purpose: to test its resistance to the rigors of nature. Telephone scientists and engineers want to make sure that by the time this equipment goes into service it'll be able to take almost anything nature can hand out.

If you're like me, you probably find that there are times when you tend to put off your personal letter writing. But you want to keep in touch with your family and friends. So here's a suggestion: let Pacific Telephone Lines help you pay them a visit. After 6 p.m. any day of the week it costs only 85 cents or less for three minutes, station-to-station, plus tax—anywhere in California. It's the best way I know to "catch up" when you've been neglecting pen and paper. Besides, there's nothing quite like the sound of a loved one's voice. It's a round trip travel offer that's hard to beat!

Here's one for a smile. It's about a young, inexperienced PBX attendant whose newness at a large company switchboard made her a bit on the flustered side. When a signal came on the board from the firm's top executive, she became particularly anxious. "Miss Jones," he said, "please don't put through any calls to me this morning. I'll be incommunicado." Trying her best to be efficient she replied, "Yes, sir. But in case anything comes up, hadn't you better give me your number there?"

PacTel's Offices To Expand

LA MESA — Planning Commissioners here have cleared the way for a $1.5 million expansion of Pacific Telephone's central office in La Mesa.

Commissioners approved a conditional use permit Thursday for expansion of the Spring street facility after councilmen Tuesday authorized closing a portion of an alley behind the present building to provide for expansion.

Since the council has approved the request to close a portion of the alley between La Mesa blvd. and Lemon ave. — a new alternate access will be created on the east side of the proposed structure — work is scheduled to begin on the telephone company project around the first of the year.

Film Shows Once

The Unicorn Theatre, in La Jolla, will have the United States premiere of the French film **In The Midst Of Life**, on Tuesday, Nov. 25.

In The Midst Of Life was made in 1963, and despite the fact that it achieved widespread critical acclaim and prizes at several major film festivals, it never achieved distribution in the United States.

The Unicorn will present **In The Midst Of Life** twice at 7 and 9:15, on Nov. 25 only.

Donors Aid Grossmont

An anonymous booster recently scored with the Grossmont College football team by presenting the Grossmont College Booster Club with a cashier's check for $587 to be used toward the purchase of a special motion picture film projector.

When it became apparent that the Booster Club could not raise all the money for the projector, negotiations commenced for the cash donation to augment Booster Club funds.

According to Mrs. H. Ray Turney, secretary of the 78-member Booster Club, the donor, who insisted on remaining anonymous, provided the necessary additional funds for the projector because, she said "Mini skirts and long hair doesn't matter. I still have faith in the younger generation."

The projector, in almost daily use since its purchase, is able to stop action, project in slow motion from 1 to 20 frames per second, or reverse the action and may be operated by remote control.

The Grossmont College football team, now enjoying its most successful year, uses the projector to review films of past games as well as films of games involving future opponents.

Aztec Shaw AP's Back of Week

All America quarterback candidates, such as San Diego's Dennis Shaw, are expected to have big games every weekend. Well, true to this thesis, Shaw came through with a BIG weekend, so big he was named the Back of the Week by the Associated Press.

Shaw entrenched his name firmly in the record books of both San Diego State and the NCAA. In all, he tied one NCAA record, set seven school marks and equalled another in leading the Aztecs to a 58-32 romp over the University of the Pacific.

The most prolific passer in State history, Shaw tied the NCAA record of seven touchdown passes in a single game. In fact, Shaw had nine scoring strikes, but two were called back on penalties. The seven TD losses also tied his own school record set in 1968 against Southern Mississippi.

Shaw also ran up career records of Yards Total Offense — 4266; Yards Gained Passing — 4218; Touchdown Passes — 44; Pass Completions — 260; and Total Offensive Plays — 541. Dennis also set a season record of 25 TD passes and a single game standard of 25 completions.

Monarch Runners Edge Mt. Miguel

By SCOTT McGAUGH

Monte Vista's cross country squad has against asserted itself as the top team in the Grossmont League as the Monarchs garnered their fifth league harrier title in the last six years.

The Monarchs clinched it last week as Monte Vista slipped by Mt. Miguel, 28-29, on the loser's course.

Tom Lux won the race for Monte Vista as the Monarchs were 7-0 in league competition.

Lux ran the course, a fast one, in 8:51, three seconds from Tom Davidson's record.

Miguel's Gary Heiserman trailed in 8:56, after sticking with Lux most of the race.

Teammate Joe Stubbs provided most of the excitement at the finish, outkicking a pair of Monarchs to the line for third. Monarchs finished in a clump after that, however, to secure the win.

Trailing were Dave Rappolee (9:06) in fourth, Rick Duenez (9:07) in fifth, and Chris Longley (9:09) in sixth.

The race was Miguel's best effort this season and the second time that the Monarchs were nearly upended by an league opponent.

Helix provided a 28-29 scare in the first meet of the season.

The Junior Varsity race saw the Matador Jayvees reverse the Varsity score as the Monarchs and Matadors finished in a tie for first place with 6-1 records due to the 28-29 Miguel JV win.

The Freshmen had an easier time however as their 25-34 conquest of the Miguel Frosh earned the Monarchs a 7-0 record and first place for the year.

In water polo, Monte Vista made it to the finals but no farther as the Monarchs were downed by the Vista Panthers, 10-6 in the CIF Water Polo Finals.

Monte Vista edged Coronado, 6-5, in the semi-finals and jumped out to a 1-0 lead against Vista in the finals.

But eight goals in the next two periods by the Panthers put the game out of reach.

Gordon Dunnhill was the leading Monarch scorer with three goals while Rob Morell followed with two and Mark Hodges had one.

The Monarchs completed the season with a 12-4 record, best in school's brief water polo history.

The 1969 football season ended last week with mixed emotions for Monte Vista as the Monarchs had a dismal 1-6 record but still turned in some stunning efforts.

Throughout the season, the Monarchs played five teams which at one time were rated in the county's top ten. The Monarchs were trounced in one, beat two, and lost to two by a total of just 13 points.

The season ended on an aggravating note as the Monarchs were downed by Mt. Miguel, 29-22.

Trailing 23-6 at intermission the Monarchs came back in the second half to score twice on a one-yard pass from Dan Read to Bob Martin and a 10-yard run by Read.

Trailing by seven late in the game the Monarchs then drove inside the Matador 10-yard line but a holding penalty halted the drive and Miguel let the clock run out.

Bob Martin finished the season as the loop's top receiver with 28 receptions for 420 yards while Read was the league second best passer with 53 completions for 760 yards.

Championship Running Meet Set Today

The La Mesa Cross-Country Championship Meet will take place today at 4 p.m., at Helix High School.

This meet will be the climax of a series of five junior high cross-country meets held this year.

Medals will be awarded to the first five finishers in each race. The 7th grade will be 1½ miles, while the 8th graders will run a 2-mile course.

A county-wide cross-country meet for 7th, 8th, and 9th graders will also be held at Helix High School on Saturday, (Dec. 6) at 2 p.m.

Thursday's meet results:

8th grade — 1. Babcock (Lemon Grove) 9:36; 2. Broiland (Parkway) 9:36; 3. Stowers (Parkway) 9:45; 4. Phillips (Spring Valley) 10:17; 5. Torres (Palm) 10:25. Race covered mile and three-quarters.

7th grade — 1. Canfield (Parkway) 7:40; 2. Boerder (Lemon Grove) 7:44; 3. Mills (Parkway) 7:46; 4. Cardenas (Spring Valley) 8:02; 5. Coston (Spring Valley) 8:05. Race covered mile and one quarter-ter.

Rockets To Host Champs

The San Diego Rockets returned to the San Diego Sports Arena Saturday for an 8 p.m. battle with the World Champion Boston Celtics.

The Rockets, who close out a three-game road trip tomorrow at the Los Angeles Forum against the Lakers, will open a three-game homestead against the Lakers, will open a three-game homestand against the Celtics. Following Saturday's contest the San Diegans play host to Seattle Monday and San Francisco Wednesday.

The San Diego club had taken a four-game win string on the road last Monday where they met Baltimore Tuesday night and Philadelphia Wednesday.

A familiar face to Rocket fans will be making his debut, now as a Celtic, when Henry Finkle, seven-foot center, takes the starting pivot spot for the Boston five. Finkel is the heir-apparent to Bill Russell's now vacated position.

Other NBA stars pacing the Celtics include All-Pro John Havlicek, Larry Siegfried, Bailey Howell, Don Nelson, Tom Sanders and Emmet Bryant.

USIU Meets CG

United States International University (USIU) will meet a football opponent from the East Coast for the first time on Saturday when the United States Coast Guard Academy from New London, Conn., will appear here for a game in Balboa Stadium. Game time is 1:30 p.m.

The contest with the Cadets will close the season for the Westerners, and Homecoming will also be observed by students of the three local campuses (Cal Western, Elliott and the School of Performing Arts) and alumni.

Matadors Subdue Monarch Rally

STILL BUNCHED—After less than a half-mile, cross-country runners from Monte Vista and Mt. Miguel are still clumped together in Friday's dual meet. Gilbert Arroyo of the Monarchs leads the early going, with Miguel's Bob Morrison a step behind. Both runners faded from the early pace and the race was dominated by Tom Lux of Monte Vista (third here) and Gary Heiserman of Miguel (fourth here).

CONGRATULATIONS—Still trying to catch their breath, Monte Vista's Tox Lux and Mt. Miguel's Gary Heiserman rehash the race in which they just ran one-two. Lux finished about 20-25 yards up on the Matador senior as Miguel nearly out-ran the Monarchs but fell a point short, 28-29. Lux's 8:51 was only three seconds off the course record.

Win Puts Miguel's Record at 5-2, 3rd

Mt. Miguel, falling short this year of the Grossmont League championship, still pulled out the Spring Valley championship in a 29-22 homecoming win over stubborn Monte Vista Friday night.

The win gave the Matadors their best record, 5-2 and tie for third, in years. The team lost only to Santana and Grossmont.

The Monarchs, meanwhile, after jumping off to a 1-0 start with a big win over Helix, suffered vital injuries, and limped to a 1-6 mark, tied with El Cajon and Helix for sixth and last.

Miguel jumped off to a big lead in the first half, with Billy Joe Winchester's runs bulldobing the Matadors to a 15-0 lead.

Winchester, accounting for 109 yards in 30 carries, notched scores on runs of three and six yards.

Tom Madigan passed to Mark Swanstrom for a two-pointer after the second score.

Madigan was sharp all night, completing 10 of 18 passes for 149 yards. Dave Zimmerman caught three for 54 yards while Swanstrom grabbed three for 31 yards.

Monarch quarterback Dan Read, dazzling the crowd with his antics, passed to the league's leading receiver Bob Martin, for 36 yards and a score.

Matador Larry Caudillo countered, however, with a nine-yard scoring run to leave the first half score at 23-6.

Read and Martin worked to close the gap with a breath-taking fourth-quarter finish.

After driving the Monarchs to the Matador one, Read tossed to Martin for the score.

A 10-yard run in the fourth-quarter and a two-point conversion pulled the upset-minded Monarchs to within 23-22.

But the Matadors got their ground game working again and Winchester capped a drive by bulling for his third score of the night, a one-yarder.

Read finished the night with 13 of 25 passes completed for 208 yards.

Martin snagged eight of the throws for 163 yards.

Overall, the Monarchs had the statistical edge. They had more first-downs, 13-14, more passing yards, 208-149, and more rushing yards, 160-122.

They lost the ball, however, on fumbles twice, and surrendered three interceptions, all to Kevin Pullan.

In final season stats, Monarchs and Matadors alike were to be found among the leaders.

Caudillo, a halfback, was fourth in scoring, with six touchdowns. El Capitan's Bill Fudge was the pace-setter with 68 points.

Fudge was likewise the front-runner in rushing, with 944 yards and a 5.8 average. Winchester was 574 yards for a 4.2 average gain while Monte Vista's Rob Wescott had 417 yards and 5.0 average.

Monarch Read ranked second in passing, with 53 for 109 and 760 yards. He threw for four TD's.

Madigan was fourth, with 40 for 79 completed and a pair of touchdowns.

Pace-setter was Granite Hills' Bobby Thompson, a southpaw who completed 58 of 109 passes for 827 yards and 10 scores.

MV's Martin was the league's ranking receiver, snagging 28 throws for 420 yards, a 15 yard average per catch, and two scores.

Miguel's Zimmerman was fourth with 14 catches for 267 yards, a 19.1 average and a pair of scores.

MV's Richard Weathers pulled in 11 for 219 yards, a 19.9 average and a score, while Miguel's Swanstrom had 11 for 147 yards, a 13.4 average and a score.

Miguel's Tom Young led the league in interceptions, snagging nine enemy aerials, and returning them for 122 yards, an average of 13.6 apiece. His longest return went for 34 yards.

Madigan ranked third in punting, booting 26 times for a 31.2 average. Granite Hills athlete Tim Doerr led with a 34.5 average of 26 kicks.

Grossmont and Granite Hills ended in a tie for the title, with the Eagles automatically getting the nod for playoff action with a win over the Foothillers.

Both teams ended with 6-1 records, with Granite Hills stumbling only against Miguel.

The best team of all, however, may have been Santana, generally overlooked.

The Sultans were red-hot at season's end, beating the Matadors 32-6, and roasting a good El Capitan team in their finale, 33-12.

They lost to Granite Hills by a point, and Grossmont beat them only 12-7 in the first league game.

MONARCH MAKES GOOD

Griff Brent Wilson Best Loop Runner

Brent Wilson, sophomore star of the Grossmont Griffins, was named Runner of the Year in the Mission Conference Wednesday afternoon.

The All-Conference team was also selected in a meeting of all the Mission Conference cross country coaches.

Joe Mears and Neil Wilson of the champion Griffins joined MVP Brent on the All-Conference squad that also included three members from second place Southwestern, three members from Citrus, and one runner from Riverside.

Grossmont's Bob Larsen and Southwestern's Rich Gehring were voted Co-Coaches of the Year as Grossmont went undefeated and Southwestern lost only to Grossmont 24-31.

With his selection to the All-Conference team, Brent Wilson became the fifth Griffin to be presented with such an honor both years at Grossmont.

Brent ran on the 1967 team that finished second in the league, and was placed on the All-Pacific Southwest Conference team.

Wilson finished first in every Mission Conference meet except one, when teammate Dave Carter won the event placing Brent in second.

Carter, a freshman, and Danny Matheny, an All-Conference choice in 1968, were overlooked in the 1969 squad because both athletes were hampered with injuries.

Both Griffins were able to participate in only two conference meets, and were not considered for All-Conference honors. Griffins Neil Wilson and Joe Mears were the only freshmen picked on the ten man team.

Also selected on the Conference's all-star team were Ralph Lopez, Jim Warren and Carlos Davalos of Southwestern.

Brent Wilson was first-ranked, Lopez fourth, Warren fifth, Mears seventh, Davalos eighth and Neil Wilson tenth.

Brent and Neil Wilson and Mears are all former Monte Vista High standouts, as were Carter and Matheny.

The percentage of U. S. incomes spent for food in 1968 fell to 16.8% of per capita after-tax earnings, as compared to 20.9% in 1958.

Aztec Harriers' Bid Falls Short

The Aztec cross country team of coach Tony Sucec lost out on its bid for a second straight Pacific Coast Athletic Association title last Saturday as host Cal State Long Beach ran away from the pack.

Long Beach placed its five scoring-runners in the top 15 to amass 37 points, 24 better than the runnerup Aztecs. Surprising Cal State Los Angeles took third with 92 points, followed by San Jose State (99), the University of California at Santa Barbara (108), Fresno State (114) and the University of the Pacific (158).

Despite losing their title, there were some bright spots for the Aztecs. Senior Charlie Winsor was just nipped for the individual title by a scant seventh-tenths of a second.

Tom Davidson placed fifth for State while John Jacobsen was 12th. Dennis Smith, 13th; Scott Claypoole, 29th; Bob Messina, 34th; and Jeff King, 44th.

San Diego Hosts State Weight Meet

San Diego will be the host city for the 1969 California State Teenage and Junior Olympic Weightlifting Championships and the Mr. Teenage California Bicentennial Contest Nov. 29.

The championships, which will salute the San Diego 200th Anniversary, are sponsored by Gardner's Gym of La Mesa. Co-sponsor for the Junior Olympic portion of the competitions is the Quaker Oats Co.

Emerald Junior High School in El Cajon will be the site of the championships which will begin at 11 a.m. Nov. 29.

All residents of California between the ages of 12 and 17 and eligible to participate. A current AAU card will be required at the weigh-in.

Awards will be given to the first three places in each weight category in both the junior olympic and teenage weight lifting contests. There will also be an award for the best lifter in each junior olympic age category and a best teenage lifter award.

Three place awards, as well as an award for the most muscular contestant, will be given in the physique category. A team award will be presented in both the teenage and junior olympic contests.

The contests will be run under AAU rules, and local AAU officials will be judges.

Entry fees for individuals are: junior olympic, $1.50; teenage lifting, $3, and teenage physique, $3. Junior olympic and teenage team entry fees are $4 per team.

Registration forms and entry fees should be mailed to Ralph Gardner, 8235 University ave., La Mesa, Calif. 92041. Deadline for acceptance of entries is Nov. 25.

SV Youth To Mexico Cycle Race

Dennis Bergen, an eight-year-old student at Highlands Elementary in Spring Valley, has been selected to represent the United States in the National Cycling Championships of Mexico.

The races are scheduled for Mexico City Sunday.

Bergen, scheduled to compete in the 1600-meter event, has won over a dozen races in this country and Mexico this year and was the winner of the 1968 National Championships of Mexico held in January.

The only other American that has been invited to compete in the championship event is 13-year-old Robert Gutierrez of Chula Vista. The two Americans will depart today, together with the team from Baja California.

Dennis lives with his family at 10050 Cristobal dr.

Area Pair Run For USIU

United States International University (Cal Western's) cross-country team, nearing the end of a successful year, numbered a pair of area athletes among its top runners.

The team, winner of five meets this season, recently downed UCSD, 15-46 with Darryl Simmons and Dan Ungricht playing key roles as they have all season.

Simmons, a freshman from Helix High, was fifth in the race, trailing only teammates. Simmons is the Highlander mile record holder.

Ungricht, a junior, is the half-mile record-holder at both Monte Vista High and Grossmont College. He is the eighth ranking runner on the team, and finished tenth in the dual meet.

SV Hoopsters Can Register

Registration for the Spring Valley boys' basketball program will take place on November 22, November 29, and December 6 from 10 a.m. to noon at the Mt. Miguel High gymnasium, 1800 Sweetwater rd.

November 22 will be reserved for Spring Valley Recreation District residents. November 29 and December 6 will be open for everyone on a first-come, first-serve basis.

This program is for boys 4th through 9th grades, and is divided into three separate leagues; one for 4th and 5th graders; one for 6th and 7th graders.

League play will begin in January with games being played on Wednesday and Thursday evenings, and throughout the day on Saturdays, at Mt. Miguel High School.

The registration fee for the program is $1.50 for Spring Valley Recreation District residents, and $2.50 for non-residents, Basketball clinics will also be conducted on the same days as registration from 1 to 3 p.m.

Waterfowl Permits Accepted

Reservations for the second half of the San Diego Recreation Department Lakes Recreation Division's Waterfowl Hunting Program will be accepted at the Department offices in Balboa Park starting on Nov. 24 at 8 a.m.

The second half of the season will start on Surday, Dec. 6 and continue through Jan. 11, 1970. First half of the waterfowl season ends on Nov. 26.

Office hours at the Recreation Department are 8 a.m. through 5 p.m. on weekdays.

Lakes offering hunting are Upper and Lower Otay on Wednesday and Saturday, Morena and Sutherland on Saturday, and Barrett on Sunday.

Griffins Get Tie For Championship

In the slush and the rain at Valley Stadium Saturday night, the Grossmont Griffins powered their way to a 20-7 decision over Chaffey College, and at least a tie for the 1969 Mission Conference Championship.

After wading their way to a 7-7 tie at halftime, the Griffins mounted a 91-yard drive in the third period, and a 49-yard drive in the fourth period for the victory.

Greg Gleason went all the way once again at quarterback, and the sophomore All-American candidate slipped and slid all over the field before hitting Skip Stephenson with an 18-yard game clinching touchdown pass in the fourth quarter.

Greg finished the evening with 19 completions in 37 attempts for 199 yards and a touchdown. He also managed to run for two 22-yard gains and ran for 89 yards, but was thrown for losses to leave his total rushing effort at 43-yards in 15 carries.

Bart Williamson had a great day in the mud, with 76 yards for 20 carries and two touchdowns. Bart also caught three passes for 14 yards.

Don Needham filled in for Dennis Sutton at slot back, and made some outstanding catches including a tremendous 24-yard grab in the second quarter.

Grossmont now has only Riverside in the way of a perfect league record, but the Tigers will be looking for the Griffins who knocked them out of championship contention a year ago.

The Griffins have qualified for the State Playoffs Nov. 29, no matter what happens in Riverside, as the worst Grossmont could do would be a tie with Citrus.

SDS, Shaw Ready For North Texas

Probably one of the greatest aerial battles since World War II will be taking place Saturday beginning at 8 p.m. when San Diego State's unbeaten Aztecs (8-0) take on North Texas State (7-2).

The encounter will feature a head-on collision between two of the best quarterbacks in the nation — the Aztecs own Dennis Shaw and North Tevas State's Steve Ramsey.

In the last two weeks, Shaw has been breaking NCAA single game and season passing records faster than a wild bull in the proverbial china shop. Ramsey has been doing his share of record-setting, but has been concentrating on career records, not single game and season marks. Between the two, they hold almost all the major NCAA passing records.

Despite the passing heroics of Shaw and all his records, it was the Aztecs' running game which most impressed SDS head coach Don Coryell in last week's 70-21 romp over New Mexico State.

In all, the Aztecs rolled up 220 yards on the turf, their highest output of the season by some 50 yards.

San Diego's "Big Three" running backs Del Pifer, Lindsey James and John Kafka accounted for 211 of the yards for an average of 7.8 yards a carry.

San Diego's All-America quarterback candidate Dennis Shaw firmly entrenched himself and receivers Tom Reynolds and Tim Delaney in the NCAA record book.

Shaw set two new NCAA marks, tied a third and combined with Brian Sipe for two team records. Reynolds set a new season TD reception mark (18) and Delaney set a new single game TD reception record (6).

Shaw, who was named the Most Outstanding Player in the Centennial Game, set a record of nine touchdown passes in a game and 34 TD tosses in a year.

On the night, Dennis connected on 26 of 42 for 441 yards to boost his season totals beyond those of any Aztec before him. Shaw has now completed 152 of 259 attempts (a tremendous .591 percentage) for 2520 yards.

Chargers Hope For Comeback

The San Diego Chargers strike the comeback trail Sunday when they return to San Diego Stadium to tackle the tough Denver Broncos at 1 p.m.

The first 10,000 fans in attendance will receive free large color team pictures of the Chargers. The undefeated San Diego State College Marching Band will be featured at halftime.

Hopes for a strong finish to the season buoyed by a valiant, albeit losing (21-16) battle with the Oakland Raiders last Sunday, the Chargers (4-6) greet the Broncos (4-5-1) with a fistful of goals.

San Diego will attempt to (1) give new head coach Charlie Waller his first victory; (2) break a four-game losing streak; (3) evacuate the Western Division basement; (4) avenge a 13-0 defeat by the Broncos; (5) return the touchdown to the Charger game.

Waller is confident. "I'll guarantee we'll play a lot better then we did against Denver the last time. We are going to finish this season as winners."

Denver is the first hurdle of a four-game home stretch which continues at Houston Thanksgiving Day and concludes at home against Boston (Dec. 7) and Buffalo (Dec. 14). The anticipated return to action of badly-missed Gary Garrison and Ron Mix would add muscle to San Diego hopes of finishing strongly.

Denver is difficult. The Broncos will be strengthened by the return of their league-leading (637 yards) runner Floyd Little, who was decommissioned by a Kenny Graham tackle at Denver. Former Steve Tensi and Al Denson are a potent passing combination.

With 41 catches for 606 yards, Denson is the No. 3 receiver in the AFL and trails Lance Alworth of the Chargers by only one catch. Alworth is two catches behind Oakland's Fred Biletnikoff and will take a 92-game consecutive pass receiver streak into Sunday's game. The pro football record is 95 by Don Hutson of Green Bay (1937-1945).

Sale Set For Open Tickets

Advance sale of tickets for the upcoming Andy Williams San Diego Open at Torrey Pines, January 27 through February 1, go on sale Monday, January 17, according to Norrie West, executive director of the tournament.

Jim Fox, ticket sales manager, outlined three special plans: week-day tickets — two for $5.50; week-ends — Saturday and Sunday — two for $8; season tickets — $15.

"Fans will gain a substantial savings from direct purchase of tickets at the gate—and since this is the first time this has been offered, we are anticipating the largest crowd yet. This way the Salk Institute and the San Diego County Junior Golf Association will benefit more than ever," West said.

Many firms are cooperating this year by providing ticket outlets. They are doing this as a community service to assist in making this tournament a tremendous success. There are a total of 83 ticket outlets in San Diego county and 15 outlets at various military basis.

Jack Nicklaus will defend his title, and 50 of Andy Williams friends will join him in the big two-day celebrity Pro-Am — the AWSDO with a combined purse of $165,000 makes it the West's largest tournament. 416 players will tee up in the 36-hole Pro-Am on Tuesday, January 27.

Shapiro Resigns

Max Shapiro, 26, director of player personnel and promotions for the San Diego Rockets since their inception in 1967, has resigned to enter private business.

The announcement was made Saturday by Rocket general manager Pete Newell.

Shapiro, a native of St. Louis, Missouri, and graduate of Washington University (St. Louis) will remain in the field of sports as president of a newly formed company based in San Diego.

Bob Netting, the present Rockets' group sales director, will take over as promotions director.

Use an ice cream scoop for putting batter in muffin tins for cup cakes, etc.

Griffs in SoCal Run

As Mission Conference Champions, the Grossmont College cross country team will enter the Southern California Championships at Pierce College in Los Angeles.

In order to qualify for the California Junior College Championships in Fresno, the Griffins would have to finish in the top five Friday.

"We will have to do a tremendous job just to make the first five," said Griffin Coach Bob Larsen. It is a hilly, difficult course, and the competition will be the best it's ever been.

20 teams are entered in Friday's event, with Moorpark, L.A. Valley, and Glendale California the three toughest ones.

Along with the first five teams going to Fresno, the top ten individuals will also qualify, even though their team might not make it.

Butler Spearheads Torrey Pines Drive

Former City Attorney Ed Butler urged his fellow San Diegans to celebrate Thanksgiving this year by "taking a walk in the woods."

Butler called it a "crime" that a large section of Torrey Pines tree lands in the Northern area of the city are in danger of being cleared by housing subdevelopers after January 1, 1970.

"The first Thanksgiving," said Butler, "was celebrated on woodsland. That's a privilege that our countrymen who follow us will not have, because the woods won't be there."

Butler is chairman of a drive to match $900,000 in State funds to buy 170 acres of Torrey Pines tree land north of the present Torrey Pines State Reserve, in order to turn it into public land. $270,000 is still to be raised.

"I don't think we'd be in danger of losing the lands," said Butler, "if it weren't for the fact that the people are just unaware of the situation. I think the best thing that could happen to this county would be for every family to drive to Torrey Pines State Reserve sometime during Thanksgiving Week and take a walk in the woods."

"We have to make a choice now," said Butler. "At the cost of a few dollars apiece, we can leave behind us a place where our children can find serenity in flowers, ferns and trees. Or we can let the land go — in which case we'll be leaving behind us another few miles of scarred land and paved roads."

"There are Torrey Pine trees in that stand of woods," Butler went on, "that looked down on the ocean when Cabrillo sailed up this coast in the sixteenth century. It's something to consider that they could be gone next year. It would be a crime.' "

The state legislature allocated the funds in 1967 to buy the proposed extension to the Torrey Pines Reserve, provided the community raised a similar amount.

"Even though a lot has been done, and the end is in sight, the whole effort will go to waste if the remaining 270,000 is not raised, and raised immediately," said Butler.

USNB in Merger

SAN DIEGO — United States National Bank shareholders gave their approval to a merger agreement with the Bank of Santa Ana, a two-branch bank in Orange County.

The merger, which is dependent upon approval by regulatory authorities, would bring United States National Bank's total offices in Orange County to 12. The San Diego-based bank presently has 53 offices in five Southern California counties.

Shareholders of the Bank of Santa Ana have previously approved the merger.

Upon consummation of the merger, the combined resources of the two banks would be in excess of $560 million.

Safe Boat Rules Told

When rehabilitating pleasure boats during the winter months, boat owners may want to provide new lighting arrangements for the rear of the boat, Captain J. V. Herz, of the California Highway Patrol suggested.

A new law, effective Nov. 10, permits lamps, reflectors and area reflectorizing material to be mounted on the boat in lieu of or in addition to such equipment on the boat trailer, the Patrol official said.

The lighting equipment on the boat must comply with mounting requirements of the Vehicle Code as if the boat were an integral part of the trailer.

Another new law clarifies existini law about distances between vehicles pulling trailers, including boat trailers.

All such vehicles are subject to the 55 mile per hour maximum speed limit and, in order to allow other vehicles not subject to that limit to pass, must stay at least 300 feet behind other vehicles subject to the 55 mph limit when on a two lane road outside a residential or business district, Captain Herz said.

Lee De orest invented the radio tube that made broadcasting possible yet he received very little financial reward from it.

Osmonds Set For Parade

A group of five musical brothers, regularly featured on the Andy Williams show on NBC television on Saturday nights, will appear in the November 23 Mother Goose Parade as honorary marshals, it was announced.

The Osmond Brothers, ranging in age from 6 to 20, playing over 26 instruments among them, dancing up a storm, and singing in the harmony of the ages as well as today's sounds, are the alded attractions for the parade, Donald H. Warfield, president of the Mother Goose Parade Association, said.

Five of the six Osmond Brothers, including Donny, 11; Jay, 13; Merrill, 16; Wayne, 18; and Alan, 20; join three stars from the CBS series, "To Rome, With Love," as The CBS stars are Joyce Menhonorary parade marshals. ges, 19; Susan Neher, 10; and Melanie Fulletrton, 6. Jimmy Osmond, 6, is the only member of the brother act not expectel for the parade.

All television celebrities will ride in open convertibles in the Mother Goose Parade in Fl Cain at 2 p.m. on the Sunday before Thanksgiving.

Fire Board Votes Raise For Itself

William E. Wardwell, whose term of office as director of the Lemon Grove Fire Protection District expired this year, was appointed back to the post by the County Board of Supervisors.

The action is routine where no opponent files against the incumbent candidate. The fire district saved the cost of an election by the action.

It was not all savings, however. The re-seated board approved a $10 a meeting raise. Such an increase is provided by State Code. Directors will now receive $20 a meeting with a maximum pay for four meetings during any calendar month.

MEMORIAL — Representatives of the Sons of the Utah Pioneers, The Mormon Church, the city of San Diego and the state of California will join Saturday, November 22, to pay tribute to the memory of the legendary Mormon Battalion.

A striking statue of a Mormon Battalion soldier will be unveiled and dedicated in a ceremony scheduled for noon at Fort Stockton in Presidio Park. The occasion honors the battalion's historic march of 1847 and its service to the San Diego settlement at the finish of the 2,000-mile trek.

Conservation Meet Planned

Is San Diego, "the city in motion," moving down the polluted path that has been travelled by other cities who once took their clean air and clear waters for granted?

"Sparkling San Diego," write a **TIME Magazine** reporter recently, "once proud of its clean air, now has an air-pollution problem . . ."

Cat Leukemia Not Yet Linked To Man

Cat owners should not be alarmed over news reports that the virus of feline leukemia may be infective for other species, including man, according to the Council on Veterinary Service of the American Veterinary Medical Association.

It had been reported in a widely-published UPI article recently that new evidence had made the cat "strongly suspect" as a carrier of leukemia to other animals, including man.

Leukemia, one of the many diseases common to man and other animals, is the subject of increasing amounts of research to determine its causes and methods of control, said the Council's spokesman, but drastic action against cats based on the present knowledge of leukemia would be a tragic mistake.

If the feline leukemia virus were transmissible to man by ordinary means, the infection rate among cat breeders and veterinarians would be abnormally high. Apparently it is not, however.

Until the transmission of leukemia virus by natural means from cats to man or from man to cats has been substantiated, the Council recommends that veterinarians and their cat-owning clients view recent leukemia research findings as significant but not as a reason for altering the role of the cat in the home.

Rotary Program On 4-Way Test

Harry E. Callaway, owner of Thearle Music Co., will be speaker Monday for the Thanksgiving Week program of the Lemon Grove Rotary club.

Callaway will discuss Rotary's Four Way Test, a test by which Rotarians guide themselves.

The test calls for the answer to these questions: Is it the truth; Is it fair to all concerned; will it build goodwill and better friendship; and Will it be beneficial to all concerned?

Callaway is past president of the San Diego Rotary club and has earned the title of Citizen of the Year, Boss of the Year, and Gentleman of Distinction.

He has been in the music business in San Diego for 57 years.

Mervin Blum is program chairman.

The L.G. Rotary club meets Monday noon at the Bowlero.

Gulls, Denver Clash Tomorrow

The San Diego Gulls take on the Denver Spurs tomorrow night in the windup of a short two-game homestand, then head back onto the road for a three-game trip next week.

The Culls opened the homestand last night with a game against Denver, and the Gulls were looking for revenge in the two games against the Spurs. Denver defeated the Gulls, 4-2, in their first game at the Sports Arena two weeks ago.

When the Gulls head out on the road next week, they will be sporting a seven-game road unbeaten streak. That is a new club record, and it was forged on three wins and four ties in the Gulls' last seven away games.

The trip will be a tough one, however, with two stops in Vancouver and one in Seattle. The Gulls and Canucks will battle Tuesday and Friday, and San Diego will be in Seattle Wednesday night.

The Gulls action last week was confined to the road, and was highly successful.

Russian Language At Adult School

Russian is today one of the three most important languages in the world. It is the governmental and administrative language of the peoples of the Soviet Union — over 200,000,000 and one-sixth of the globe in area.

It is now, with English and German, an essential language for those interested in any branch of science and technology. The Soviet Union publishes an immense body of publications relating to these and many other subjects.

A knowledge of this language is steadily spreading to countries whose languages are rarely known by English-speaking people. Russian is becoming an increasingly important "travel language".

A study of Russian, a rich, highly flexible and inflected language, provides the foreigner with a training for the intelligence and memory at least equal to that provided by Latin and Greek. And Russian is very much alive! It is, furthermore, a very beautiful language.

Grossmont Adult School is fortunate in having Mr. Nepo as an instructor in Russian. Beginning Russian is offered on Monday and Wednesday evenings from 7 to 9:30 p.m. at Helix Adult School and Intermediate/Advanced meets on Tuesday evenings. For further information call Helix Adult office 463-8717.

Ringneck Plant For I.V. Planned

Imperial Valley areas in which the heaviest concentrations of native birds may be found and plans for planting hatchery raised ringnecks before the opening of the season will be disclosed to the hunting fraternity tonight at 7:30 when the San Diego County Fish and Game Association holds its annual pheasant meeting in the Balboa Park War Memorial Building.

Lee Rodwell, Association president, will serve as moderator and will have as his guests some of the Imperial Valley sportsmen who have been most active in the pheasant planting program. Heading the list will be Ken Ellison, chairman of the Imperial County Fish and Game Commission, and Lennie Sims.

Capt. John Roumasset will represent the Department of Fish and Game and will further enlighten sportsmen on planting plans and dates.

Members of the Association will have a last chance to nominate candidates for club offices and the board of directors prior to the general election in December.

Outdoor films of a sporting nature will be shown and the public is invited to attend, Rodwell says.

Deddeh Asks More Cash For Schools

Commenting on the announcement by Controller Houston I. Flournoy that the state ended the 1968-69 fiscal year with a $537.1 million surplus, local Assemblyman Wadie Deddeh (D-Chula Vista) said it confirmed the stand by Assembly Democrats in holding out for additional school finance.

The confirmation of the surplus insures the $174.7 million increased school aid bill will be fully financed.

The administration had budgeted $105 million for elementary and secondary schools but many assembly democrats refused to approve the 1969-70 budget until the administeration agreed to control language earmarking additional surpluses for schools. The final amount will be an additional $70 million for a total of $175 million school appropriations.

Deddeh pointed out that this additional money will ease the pressure on local property taxes by helping local schools. "However," Deddeh continued, "the urban school crisis continues in our state and the local property tax pinch remains."

Social Security Changes Hours

Termination of special evening interviewing hours provided by the El Cajon Social Security Office has been announced by Manager Sumio Oto.

Starting Monday, the office at 570 North Second st., in El Cajon, will return to its normal office hours schedule and will be open to the public from 8:30 a.m. until 4:30 p.m., Monday through Friday.

For the past two years the office has been open Wednesday evenings from 4:30 p.m. until 7:30 p.m.

Oto explained that, according to studies recently conducted, there were not enough callers during Wednesday evenings to justify keeping the office open additional hours for this special service.

Oto stated, "I wish to emhasize, however, that our field staff will be glad to visit anyone at home who is unable to come to the office during regular hours."

Oto added that many social security and Medicare inquiries could be answered, and other valuable assistance rendered, if area residents would phone number 442-0851 during regular working hours.
